Dear Mr Millhouse

I am writing to you in my capacity as Acting Minister responsible for the *Building Queensland Act 2015* (the BQ Act).

I understand that on 26 November 2020, the Honourable Steven Miles MP, Deputy Premier, Minister for State Development, Infrastructure, Local Government and Planning provided a direction to Building Queensland (BQ) in relation to the transitional arrangements for BQ and for BQ not to commence any new activities without first consulting with the Department of State Development, Infrastructure, Local Government and Planning (the department).

Further to that letter, I also direct BQ to:

- not exercise the function of preparing and maintaining the infrastructure pipeline document under subsection 15(1) of the BQ Act
- not exercise the function of giving the responsible Minister a copy of the updated infrastructure pipeline document under subsection 15(2) of the BQ Act
- not exercise the publishing functions under section 17 of the BQ Act except the requirement under subsection 17(1)(d) to publish a Ministerial direction
- not prepare and have approved a budget and financial management policies under section 50 of the BQ Act.

This is a direction under section 19 of the BQ Act and applies in addition to the direction contained in the Deputy Premier's letter to you dated 26 November 2020.

I have asked for Ms Maree Parker, Deputy Director-General, in the department to assist you with any further queries. You may wish to contact Ms Parker on 3452 7034 or by email at maree.parker@dsdmip.qld.gov.au.

Your sincerely
